POLICY

Pascoe Vale North Primary School has a high standard of care in relation to students at school. Appropriate, well-organised and responsive supervision of students to keep all students safe and respond to possible risks at school as they arise.

Management ensures there is a well organised and responsive system of supervision and yard duty in place throughout the school day, and on camps and incursions. during school hours, before and after school, and on school excursions and camps and other school activities.

Before and after school

School grounds are supervised before school at 8:45am, and from 3.15 until 3:30pm, staff supervise all exit gates and playground area. Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or during a supervised extracurricular activity).

Parents will be informed in the newsletter that staff members are not rostered on yard duty until 8:45am each morning. Parents are discouraged from sending their children to school before this time and students at school before that time may be sent to our TheirCare program at the parent's expense.

Parents will also be informed that staff members will not be rostered to undertake yard supervision after 3:30pm each day. Parents are required to make sure that their children have been collected or have left the school grounds by this time. Unsupervised students still in or around the school yard after that time will be brought to the school office by the supervising teacher and parents contacted. Students not collected by 3:30pm may be sent to the TheirCare program at the parent's expense.

Yard duty

Staff Responsibilities

Supervision of students is the responsibility of all staff. School staff are rostered on for yard duty on weekly basis before, during and after school. A roster will require a minimum of four staff members on duty at any one time, (recess and lunch) each responsible for supervising a designated area of the school. In addition to this, they are to check the toilets at the beginning of each session to ensure they are child safe. Our level 2 First Aid trained staff members will be responsible for supervision of the first aid room during recess and lunch times. Corridors will be supervised by staff when children are moving to and from breaks and whole class activities.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- move around the designated area ensuring active supervision of all students.
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in at the office.
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard.
- enforce behavioural expectations that comply with our school values.
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on COMPASS.

Supervising staff members should not leave the designated area until the relieving staff member has arrived. If the relieving staff member does not arrive for yard duty, notify the office via the Walkie Talkie.

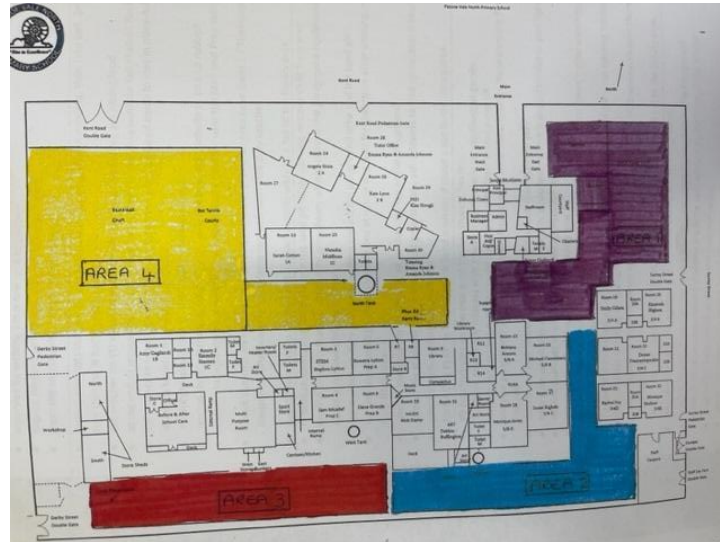

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

An inclement weather, indoor supervision timetable will be observed by teachers when children do not go out in the playground during breaks. This will be declared by the Principal or Assistant Principal.
