Dear Parents,

Pascoe Vale North PS is looking forward to another great year of teaching and learning and would like to advise you of our Financial Contributions for 2023.

Please find attached the fee schedule for Foundation to Year 6 and return it to the school no later than **Friday 2nd December 2022** so the school can order the book packs and prepare accordingly.

Pascoe Vale North PS makes every effort to keep Parent contribution to a minimum and affordable for all our school community.

The contribution is a valuable payment towards the cost of materials and information technology which enables us to provide an enhanced and enriched educational experience for our children.

Contributions for 2023 year will remain at \$200 per child, as approved at the last School Council meeting.

The contribution will cover Essential Student items - Book packs, subscriptions to Seesaw, Essential Assessments, Wushka, Compass and additional digital technologies. We also ask for a Voluntary Donation to the school for the upkeep and maintenance of the school grounds, which is tax deductible.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

To assist families, you can make your contribution payments either as a lump sum of \$200 or in 2 instalments as outlined below:

1st Payment	\$100.00	Friday 4th November
2nd Payment	\$100.00	Friday 3rd December
